BACCALAUREATE SERVICE

# GROWTH

After a while you learn  
the subtle difference  
between holding a hand  
and chaining a soul.  
And you learn  
that love doesn't mean security.  
And you begin to learn  
that kisses aren't contracts  
and presents aren't promises.  
And you begin to accept your defeats  
with your head up and your eyes ahead  
with the grace of a woman or a man  
not the grief of a child,  
and learn to build all your roads on today  
because tomorrow's ground is  
too uncertain for plans  
and futures have a way of falling down  
in mid-flight.  
After a while you learn  
that even sunrise burns if you ask too much.  
So you plant your own garden  
and decorate your own soul  
instead of waiting for someone to bring you  
flowers.  
And you learn  
that you really can endure  
that you really are strong  
that you really do have worth.  
And you learn  
with every goodbye  
you learn...
